POWER & TECHNOLOGY

The patent-pending heating element delivers outstanding results. Impressive steam volume all without the worry of spitting or leaking.

SMART AND POWERFUL

With a patent-pending heating system and electronic pump, you get impressive steam volume in the palm of your hand.

PORTABLE POWERHOUSE

The Ovo 150GT travels light
and takes out wrinkles without
taking up space.

AT HOME OR AWAY

The Ovo 150GT unique 2-in-1 case works both as an iron rest and as a travel pouch.

HANDLE THE HEAT

The Ovo 150GT iron rest features heat-resistant silicone so you can rest your iron without worry.

SNUG & SECURE

Slip the Ovo 150GT right inside the pouch after use for a portable and protected fit.

NO SPITTING! NO LEAKING!

The Ovo 150GT is the only portable iron on the market that works both as a steam iron and a garment steamer without spitting.

NOW BOARDING...

24 ounces of get-up-and-go (seriously—you can take it with you on your next trip).

ANYPLACE, ANYWHERE

With its heat-resistant carrying and press pad, you can carry and use the Ovo almost anywhere.

60 SECONDS OR LESS

The Ovo's power indicator light will stop flashing when it's ready. Steam and heat are ready in just 60 seconds!

LONG-LASTING STEAM

The Ovo's generous water tank, provides continuous steam for up to 10 minutes!

NOTES

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
