PROJECTS

The Book Clutch is a unique purse that will keep everyone guessing. Hollow out an old book or use a purchased book box to create this cool clutch. The book cover is made in a few steps and then adhered to the outside. Use a clasp to keep the clutch closed and line the inside with beautiful fabric. You can use the finished project as a purse or a secret box to hold jewelry or notions!

Book Clutch

12 different book cover designs in 2 sizes each for the 5"x 7" and 6"x 10" hoops.
