The new styles from Sylvia Design have wood tone inside that matches the outside. We are using new hardware that looks beautiful! Each piece of Sylvia Design is truly a piece of fine furniture and not "just" a sewing cabinet, drawer stack, or cutting table. These cabinets are now available in any of the following colors:

Authorized dealer information:

model 620L

This photo of the 620L is shown in the NEW Brown Pearwood color outside AND inside.

Finally a serger cabinet designed for people who use their serger frequently. The adjustable lift allows for different base heights making your serging easier and more comfortable. The *optional* drop-leaf #617 is available for this model.

New Style!

Model 620L Serger Cabinet

Dimensions:
 Open: 52"W x 19⁷/₈"D x 29³/₄"H
 Closed: 26"W x 19⁷/₈"D x 30¹/₂"H
 Machine Opening: 17¹/₂"W x 13³/₈"D

model 810

You can super-size your sewing by enjoying the wider design of the model 810 and the way it accommodates the larger sewing, quilting and embroidery machines.

The new color—Mahogany Clove—is pictured on this 810 cabinet. While it is pictured here closed, inside the cabinet matches the same wood tone as the outside. To see it fully opened, refer to page 14 of our current catalog.

Need more surface area? Add the *optional* Quilter's Extension (#1570 not pictured) to the front of the 810 or the 810Q pictured in the catalog on page 14. And you can refer to our catalog page 15 to see the 810Q with its drop-leaf support in the back of the cabinet. Still need more surface area for the model 810? Add the *optional* (#817 back drop-leaf). A very popular choice!

New Style!

Model 810 Sewing Cabinet
