

i400

Professional Steam Iron Station

Electrical	120V or 220V
Water capacity	.66 U.S. gallons – 2.5 L
Operating pressure	50 PSI – 3.44 bar
Boiler & iron elements	1000W / 800W
Iron	i30 - 7' steam hose
Power consumption	15 amps
Tank construction	Stainless steel
Low water indicator	Standard
Steam connector type	Direct - clamp type
Net weight	15 lb – 6.8 kg (with iron)
Shipping weight	17 lb – 7.7 kg
Product dimensions	13" x 11" x 9"
Shipping dimensions	15" x 12" x 12"
Electrical approval	cETLus
Country of origin	Italy
Warranty	Limited 1 year, Lifetime Tank

FEATURES

- Reset thermostat
- 4 safety systems
- Silicone iron rest
- 10-15 minute heat up time
- Up to 4 hours of continuous ironing

PROFESSIONAL IRON STATION

The all new i400 is the newest entry in our line-up of professional steam iron stations. The i400 establishes a new benchmark for features, ease of use, quality of components and value.

IT'S ALL ABOUT THE STEAM

The i400 excels at producing quality, dry, pressurized steam. Pressurized steam is the fastest and most efficient way of ironing. It allows the fibers of the fabric to be softened quicker, with the weight and heat of the iron laying the fibers down flat. This creates the crisp and clean finish demanded by professionals.

Smart. Professional. Reliable. Since 1955.
