

The 1920's were a great time for music, dancing, and all around fun until the Stock Market Crash in 1929. It was the beginning of Prohibition in Canada, USA, Norway & Finland and also the beginning of the Art Deco movement.

Some of the great discoveries and inventions of the 1920's were; insulin, penicillin, hearing aids, the 1st commercial radio broadcast, talking movies, and television. We hope that you enjoy our 20's Era designs and find creative ways to decorate your apparel and home décor with them.
