

# Floral Scarf Ends

## 37 Designs Total

After the success of Vintage Scarf ends we decided to create another scarf ends collection but instead of vintage designs we used a collection of different flowers. There are 12 different designs and each design comes in two different sizes. There are also 13 different individual designs to add to your scarves. Instead of a scarf you can also make a tea towel that would be perfect accessory to brighten any room. The projects are very easy to create and work with virtually any fabric type.
