# Embroidery Lettering & Monogramming Software Add-On

Creating custom lettering or monogramming for all your sewing projects has never been easier! Now with the BES4 Dream Edition Power Pack, you can unlock additional tools that will take your projects to the next level. Enhance your projects today with the BES4 Dream Edition Software Power Pack Add-On.

## CONVENIENCE ADDED AT YOUR FINGERTIPS

- Send multiple designs from both desktop and cloud with one action
- Send your designs directly to your wireless enabled ScanNCut Home and Hobby Cutting Machine
- Import PHC file formats to utilize Brother machine built-in designs

## UNLOCK MORE CLOUD FEATURES

- Recalculate stitches when BRF and PES designs are resized
- Auto baste and color sort with a click of a button
- Change font stitches to a fill pattern
- Display design stitch count
- Flip horizontally or vertically
- Quick rotate or by angle and degree
- Connection types (digitize, closest and furthest for trims)

## NOW WITH NAP CONTROL

- Make your embroidery designs pop on plush fabrics such as towels or blankets

## DESIGN SPLIT SAVE FOR PES FOR JUMBO HOOPS

- Ability to auto split large designs and save as PES files for multi-needle jumbo hoops

## ENHANCED WORD COLLAGE

- Apply two fonts in one Word Collage design!
- Save your own appliques or artwork as new shapes

## NEW BUILT-IN EMOJI DESIGNS!

- Built-in emoji library that includes more than 330 options
- Standard and larger 2 inch emoji selections to choose from in the design library

## MORE OPTIONS, MORE FUNCTIONALITY

- Convert to run with run, double-run, bean and motif stitch options in properties
- Curve and Arc drawing tools for more control
- Ability to use convert to run and appliqué with TTF
- Convert fonts and shape designs to a decorative motif fill with borders

## MORE FILE FORMAT TYPES ADDED
