

Threading Chart

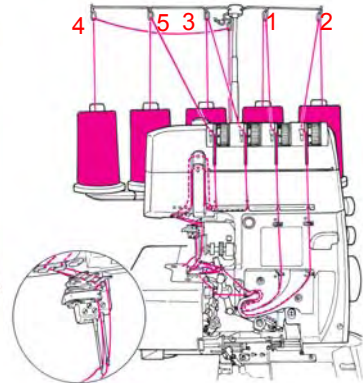

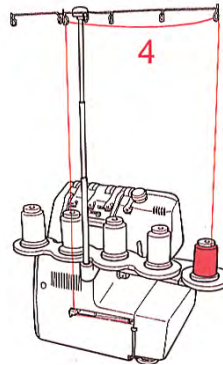

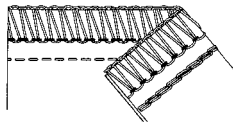

Threading, Chainstitch

1. Threading chainstitch looper (purple): see page 37
2. Chain-needle, brown markings (use yellow tension): see page 38

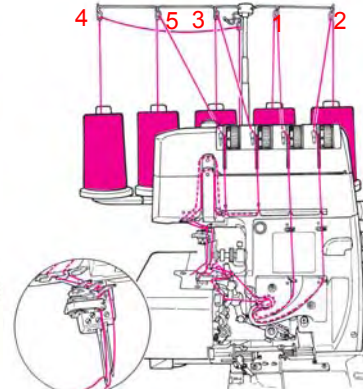

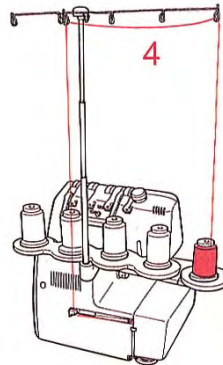

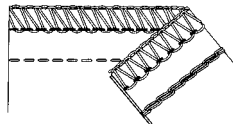

3-thread overlock (left needle)+Chain stitch

1. Upper looper thread, blue markings: see page 33
2. Lower looper thread, red markings: see page 34
3. Left-hand needle, use green markings and tension: see page 35
4. Threading chainstitch looper (purple): see page 37
5. Chain-needle, brown markings (use yellow tension): see page 38

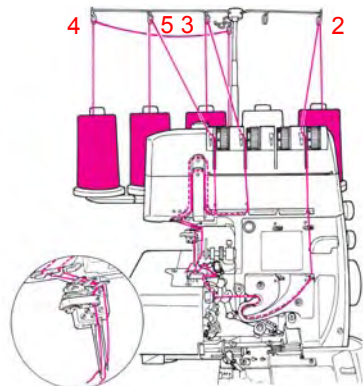

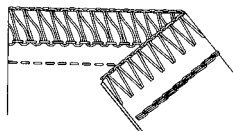

3-thread overlock (right needle)+Chain stitch

1. Upper looper thread, blue markings: see page 33
2. Lower looper thread, red markings: see page 34
3. Right-hand needle, green markings: see page 35
4. Threading chainstitch looper (purple): see page 37
5. Chain-needle, brown markings (use yellow tension): see page 38

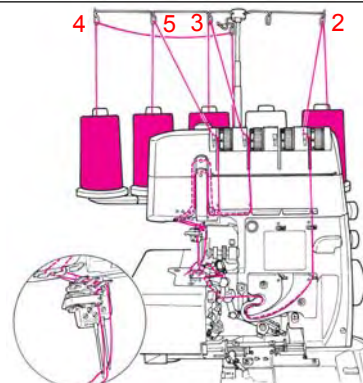

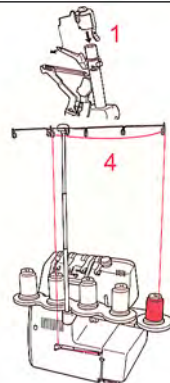

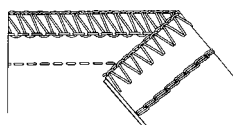

2-thread overlock (left needle)+Chain stitch

1. Use the upper looper converter: see page 21
2. Lower looper thread, red markings: see page 34
3. Left-hand needle, use green markings and tension: see page 35
4. Threading chainstitch looper (purple): see page 37
5. Chain-needle, brown markings (use yellow tension): see page 38

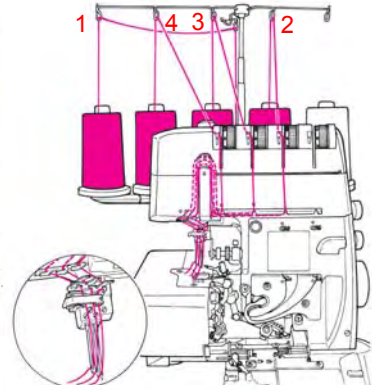

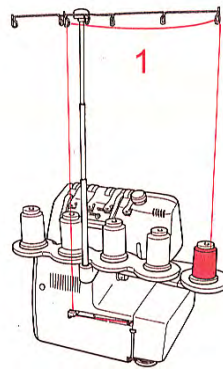

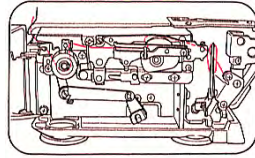

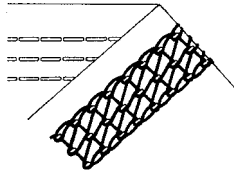

2-thread overlock (right needle)+Chain stitch

1. Use the upper looper converter: see page 21
2. Lower looper thread, red markings: see page 34
3. Right-hand needle, green markings: see page 35
4. Threading chainstitch looper (purple): see page 37
5. Chain-needle, brown markings (use yellow tension): see page 38

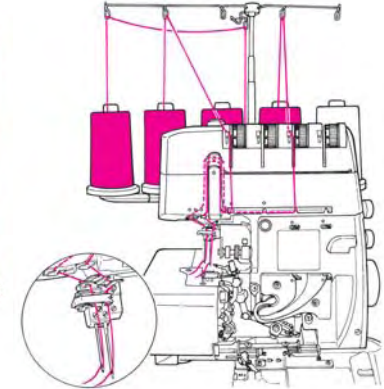

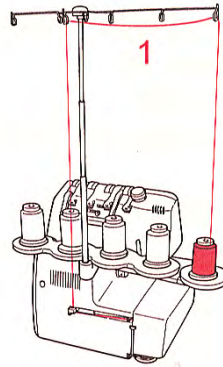

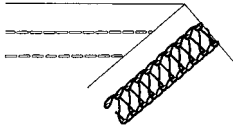

4 thread cover stitch

1. Threading chainstitch looper (purple): see page 46
2. Cover stitch R needle, pink markings: see page 47
3. Cover stitch C needle pink markings: see page 48
4. Cover stitch L needle pink markings: see page 49

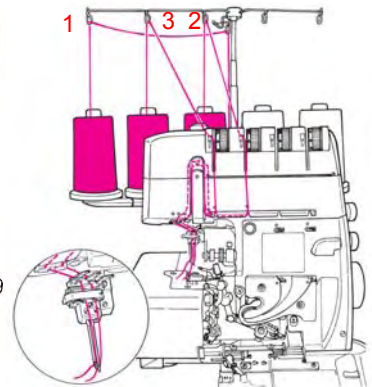

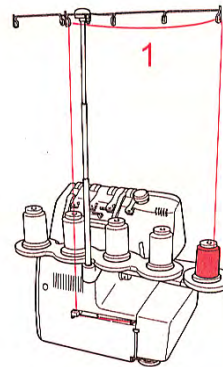

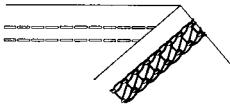

Threading 3 thread cover stitch (wide L,R)

1. Threading chainstitch looper (purple): see page 46
2. Cover stitch R needle, pink markings: see page 47
3. Cover stitch L needle pink markings: see page 49

Threading 3 thread cover stitch (narrow L,C)

1. Threading chainstitch looper (purple): see page 46
2. Cover stitch C needle pink markings: see page 48
3. Cover stitch L needle pink markings: see page 49

Threading 3 thread cover stitch (narrow C,R)

1. Threading chainstitch looper (purple): see page 46
2. Cover stitch R needle, pink markings: see page 47
3. Cover stitch C needle pink markings: see page 48

2. Enhebrar la aguja de punto de cadeneta (marcas marrón) (utilizar la tensión amarilla): Seite 38

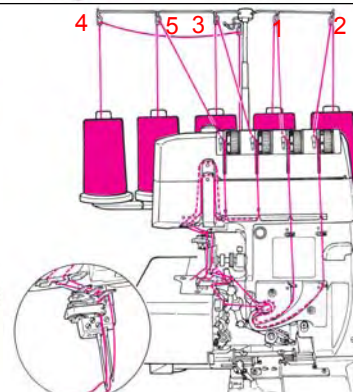

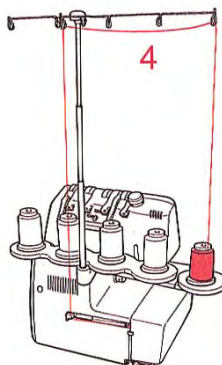

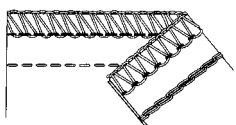

Enhebrado overlock de 3 hilos (aguja izquierda y punto de cadeneta)

1. Enhebrado de la lanzadera superior, marcas azules, véase pág. 33
2. Enhebrado de la lanzadera inferior, marcas rojas, véase pág. 34
3. Aguja izquierda, marcas verde (tensión verde), véase pág. 35
4. Enhebrado de la lanzadera cadeneta (lila) véase pág. 37
5. Aguja cadeneta, marcas marrón (utilizar la tensión amarilla), véase pág. 38

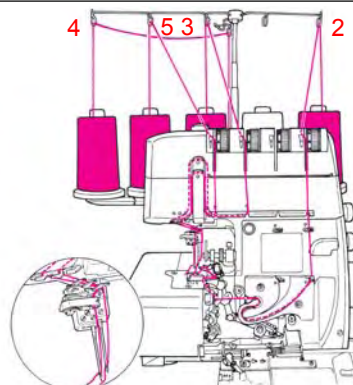

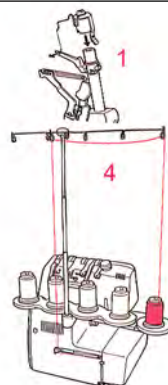

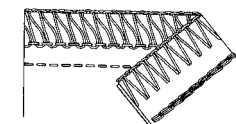

Enhebrado overlock de 3 hilos (aguja derecha y punto de cadeneta)

1. Enhebrado de la lanzadera superior, marcas azules, véase pág. 33
2. Enhebrado de la lanzadera inferior, marcas rojas, véase pág. 34
3. Aguja derecha, marcas verde, véase pág. 35
4. Enhebrado de la lanzadera cadeneta (lila) véase pág. 37
5. Aguja cadeneta, marcas marrón (utilizar la tensión amarilla), véase pág. 38

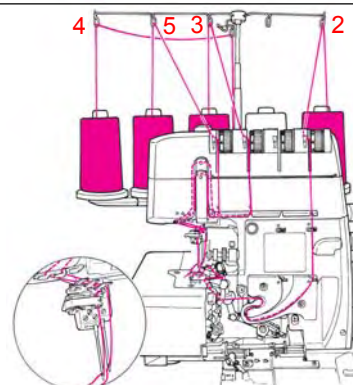

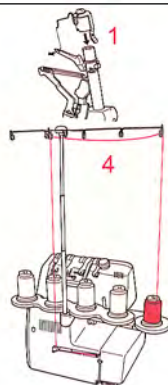

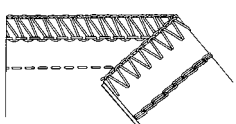

Enhebrado overlock de 2 hilos (aguja izquierda y punto de cadeneta)

1. Utilizar el transformador lanzadera ciega, véase pág. 21
2. Enhebrado de la lanzadera inferior, marcas rojas, véase pág. 34
3. Aguja izquierda, marcas verde (tensión verde), véase pág. 35
4. Enhebrado de la lanzadera cadeneta (lila) véase pág. 37
5. Aguja cadeneta, marcas marrón (utilizar la tensión amarilla), véase pág. 38

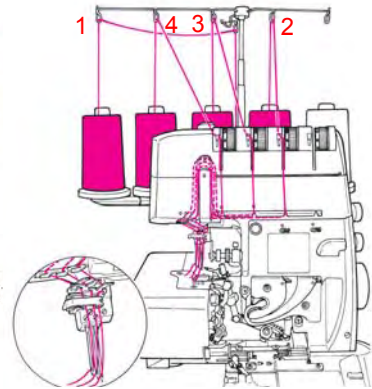

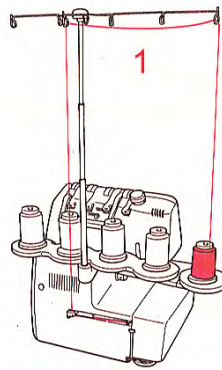

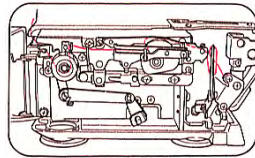

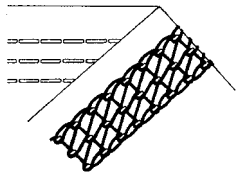

Enhebrado overlock de 2 hilos (aguja derecha y punto de cadeneta)

1. Utilizar el transformador lanzadera ciega, véase pág. 21
2. Enhebrado de la lanzadera inferior, marcas rojas, véase pág. 34
3. Aguja derecha, marcas verde, véase pág. 35

Enhebrado para punto de cobertura de 4 hilos

1. Enhebrado de la lanzadera cadeneta (lila) véase pág. 46
2. Punto de cobertura aguja R (rosa), véase pág 47
3. Punto de cobertura aguja C (rosa), véase pág 48
4. Punto de cobertura aguja L (rosa), véase pág 49

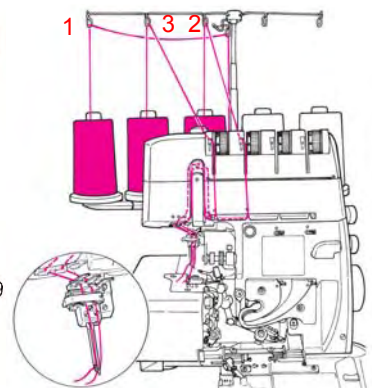

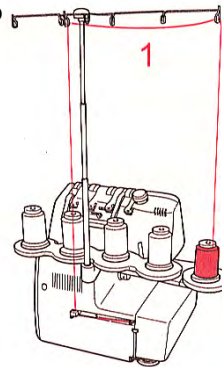

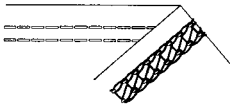

Enhebrado para punto de cobertura de 3 hilos (ancho L,R)

1. Enhebrado de la lanzadera cadeneta (lila) véase pág. 46
2. Punto de cobertura aguja R (rosa), véase pág 47
3. Punto de cobertura aguja L (rosa), véase pág 49

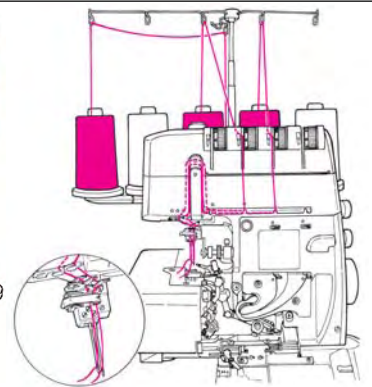

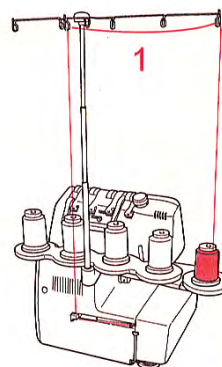

Enhebrado para punto de cobertura de 3 hilos (estrecho L,C)

1. Enhebrado de la lanzadera cadeneta (lila) véase pág. 46
2. Punto de cobertura aguja C (rosa), véase pág 48
3. Punto de cobertura aguja L (rosa), véase pág 49

Enhebrado para punto de cobertura de 3 hilos (estrecho C,R)

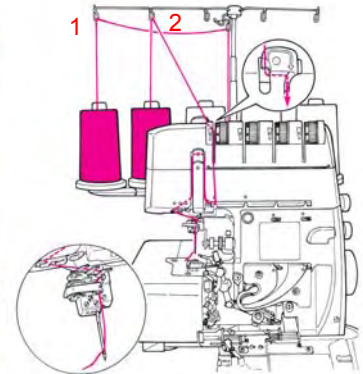

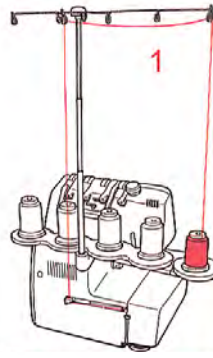

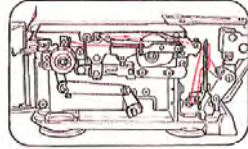

1. Enhebrado de la lanzadera cadeneta (lila) véase pág. 46
2. Punto de cobertura aguja R (rosa), véase pág 47
3. Punto de cobertura aguja C (rosa), véase pág 48

Diagramme d'enfilage

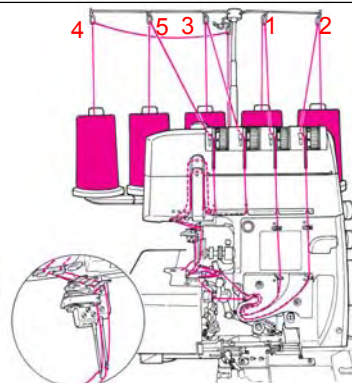

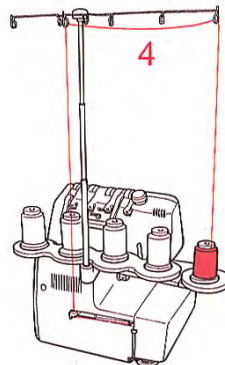

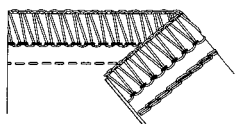

Enfilage, point de chaînette

1. Enfiler le boucleur pour le point de chaînette (violet), véase pág.37
2. Enfiler l'aiguille pour le point de chaînette, repères brun (tension jaune), véase pág.38

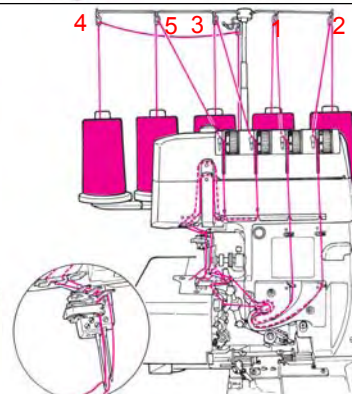

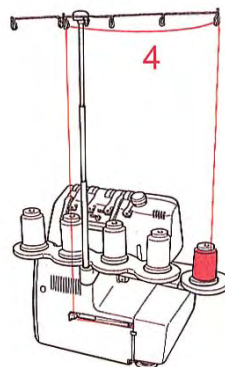

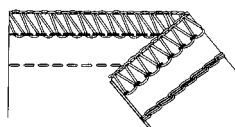

Surjet à 3 fils (aiguille gauche) + point de chaînette

1. Enfiler le fil supérieur, repère bleu, voir page 33
2. Enfiler le fil inférieur, repère rouge, voir page 34
3. Aiguille de droite, repère verte et tension verte, voir page 35
4. Enfiler le boucleur de chaînette (pourpre), voir page 37
5. Aiguille de chaînette, repères brun (tension jaune), voir page 38

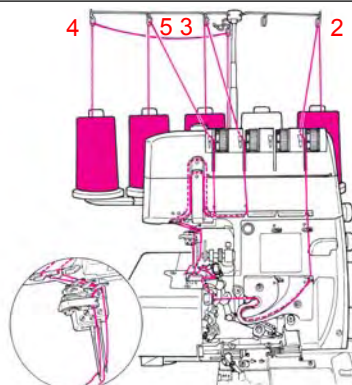

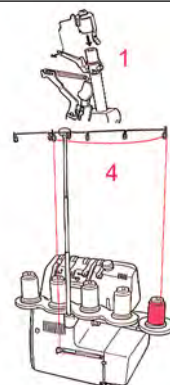

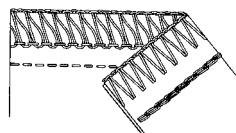

Surjet à 3 fils (aiguille droite) + point de chaînette

1. Enfiler le fil supérieur, repère bleu, voir page 33
2. Enfiler le fil inférieur, repère rouge, voir page 34
3. Aiguille de droite, repère verte, voir page 35
4. Enfiler le boucleur de chaînette (pourpre), voir page 37
5. Aiguille de chaînette, repères brun (tension jaune), voir page 38

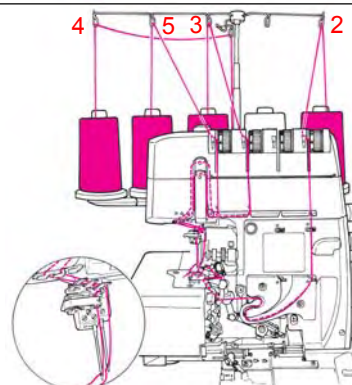

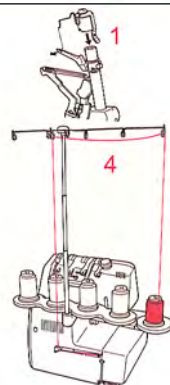

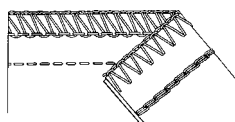

Surjet à 2 fils (aiguille gauche) + point de chaînette

1. Placer le recouvrement sur le levier du boucleur supérieur, voir page 21
2. Enfiler le fil inférieur, repère rouge, voir page 34
3. Aiguille de gauche, repère verte et tension verte, voir page 35
4. Enfiler le boucleur de chaînette (pourpre), voir page 37
