

## SOFTWARE UPGRADE FOR YOUR LUMINAIRE INNOV-ÍS XP1

With included tools to help inspire your innovative projects

### Included 10 5/8" x 10 5/8" Large Embroidery Hoop

Create large embroideries with  
the included hoop.

### Couching and Dual Couching Embroidery Kits

Includes couching embroidery foot, couching dual  
feed foot, 2 yarn guides, threader,  
and 40 couching patterns.

### 75 Included Embroidery Patterns

Including five embroidery patterns designed for the large 10 5/8" x 10 5/8" hoop.

### Auto Split Quilting Sash

Create beautiful sashing and border patterns sized perfectly for your quilt, now up to 118" x 118"! Choose from 15 different motifs. Patterns are split automatically for your selected hoop. New tools make precise matching easy.

### My Stitch Monitor Application

Monitor the progress of your embroidery and get alerts when it's time to change threads, when embroidery is finished, or when your machine needs attention, directly from your iOS or Android device.\*

### Auto Presser Foot Lift in Embroidery

The presser foot is lowered automatically in Embroidery Mode when the Start/Stop button is pressed.

### Added Decorative Fill Options

Enjoy creating with six brand new fill patterns. Plus, choose between single stitch/lite or triple stitch/thick for all 36 decorative fill patterns.

### Free Motion Needle Point Positioning Marker

See the location of your needle drop point when in free motion mode with the projected marker light.

### Advanced Editing of Embroidery Letters

New multi-select function allows you to select and edit multiple letters at the same time.

### Enhanced Color Shuffling

Temporarily save generated combinations to a favorites page. View all of your favorites at once to compare and select.

### Added Built-in Tutorial Videos

Added how-to videos for Couching in Embroidery, Enhanced Auto-Split Quilt Block Sashing, Free Motion Basting, and the My Stitch Monitor App.
