

Introducing Generation **V**

Our first series with an eleVen inch chassis.

DreamWeaver™ Quilting & Sewing Machine

DreamWeaver™ is the most advanced home-based quilting and sewing machine ever introduced by Brother, and is a vital machine for the avid quilter.

DreamMaker™ XE Embroidery-Only Machine

Rejoice embroidery enthusiasts! Brother is proud to introduce the DreamMaker™ XE, a powerful embroidery-only machine with amazing new features that make embroidery easier than ever!

DreamWeaver™ XE Quilting, Sewing & Embroidery Machine

The virtuoso of the V-Series lineup is the DreamWeaver™ XE – the exciting combination machine that has all the features that make V-Series extraordinary.

This exclusive lineup of machines boasts advanced features made to delight sewers, quilters and embroiderers.

V SERIES

The reVolution has begun.

Your dreams are now reality with the arrival of the V-Series from Brother™ – some of the most visionary machines ever offered.

Packed with Brother-exclusive and industry-first features, the V-Series quilting, sewing and embroidery machines were developed with one goal in mind – to create a generation of products with innovative technology that makes creativity easier than ever.

INCLUDED
\$299* VALUE!

ExclusiVe Bag Set

Included with DreamWeaver™ and DreamWeaver™ XE only.

What makes the
V-Series so reVolutionary?
Check out these eleVen
visionary features:

V-Sonic™ Pen Pal for Embroidery

Ultrasonic sensing provides embroidery positioning and angle rotation with a simple touch – because everyone needs a pal once in a while.

INDUSTRY FIRST

Sew Straight™ Laser Vision Guide

Use the built-in laser to assist in creating a path to straight sewing in this “seeing is believing” feature.

INDUSTRY FIRST

V-Sonic™ Pen Pal for Sewing

Change needle position, set stitch width and position, select sewing end point, and set laser guide position without taking your eyes off your project – simply touch and sew.

INDUSTRY FIRST

Vast Wide Table*

A king sized quilt fits rolled up!

* Standard on DreamWeaver™. Available for additional purchase for DreamWeaver™ XE.

Vibrant 10" Runway® Lighting

50% brighter than our current lighting.

Our new visionary features can be found in the following machines:

● DreamWeaver™ ● DreamMaker™ XE ● DreamWeaver™ XE

AdVanced Droplight™ Embroidery Positioning Marker

The LED pointer shows the needle drop position with pinpoint accuracy – critical for embroidery.

INDUSTRY FIRST

Velocity up to 1,050 SPM

The fastest Brother series ever!

MuVit™ Digital Dual Feed

This included digitally-controlled, direct motor-driven accessory foot was designed for difficult projects which require special handling – so you can rest assured that your ability to move it smoothly is just a touch away.

INDUSTRY FIRST

SeVen Inch LCD Touch Screen Display

Provides the latest in LED back-lit technology for clear, bright, efficient viewing of all onscreen operations.

56 Square Inches
of Workspace

11.25" wide

5" high

EleVen Inch Chassis

The largest needle to arm distance ever from Brother at 11.25". Welcome to the world of quilting and sewing with 56 square inches of workspace – over 10% more than current models.

Optional Versatile Multi-Function Foot Controller†

Adjustable and programmable bi-pedal foot controller offers hands-free control of 3 vital quilting and sewing functions.

† Available for additional purchase.

INDUSTRY FIRST
